- 2 paragraph and insert:
- 3 "SECTION 1. IC 5-1-16-42 IS AMENDED TO READ AS
- 4 FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 42. (a) When the
- 5 authority, the board of trustees or board of managers of the hospital, the
- 6 board of commissioners of the county, and a majority of the county
- 7 council have agreed upon the terms and conditions of any lease
- 8 proposed to be entered into under section 38 or 39 of this chapter, and
- 9 before the final execution of the lease, the county auditor shall give
- 10 notice by publication of a public hearing to be held in the county by the
- 11 board of commissioners. The hearing shall take place on a day not
- 12 earlier than ten (10) days after the publication of the notice. The notice
- 13 of the hearing shall be published one (1) time in a newspaper of general
- 14 circulation printed in the English language and published in the county.
- 15 The notice shall do the following:
- 16 (1) Name the day, place, and hour of the hearing.
- 17 (2) Set forth a brief summary of the principal terms of the lease
- 18 agreed upon, including the character and location of the property
- 19 to be leased, the lease rental to be paid, and the number of years
- 20 the contract is to be in effect.
- 21 (3) State a location where the proposed lease, drawings, plans,
- 22 specifications, and estimates may be examined.
- 23 The proposed lease and the drawings, plans, specifications, and

estimates of construction cost for the building shall be open to inspection by the public during the ten (10) day period and at the hearing. All interested persons shall have a right to be heard at the hearing on the necessity for the execution of the lease and whether the lease rental under the lease is fair and reasonable. The hearing may be adjourned to a later date with the place of the hearing fixed prior to adjournment. Following the hearing, the board of commissioners may either authorize the execution of the lease as originally agreed upon or may make modifications that are agreed upon by the authority, the board of trustees or board of managers of the hospital, and the county council. The authorization shall be by an order that is entered in the official records of the board of commissioners. The lease contract shall be executed on behalf of the county by the board of commissioners.

(b) If the execution of the lease as originally agreed upon or as modified by agreement is authorized, notice of the signing of the lease shall be given on behalf of the county by publication one (1) time in a newspaper of general circulation printed in the English language and published in the county. Except as provided in subsection (d), ten (10) or more taxpayers in the county whose tax rate will be affected by the proposed lease and who may be of the opinion that no necessity exists for the execution of the lease or that the lease rental under the lease is not fair and reasonable may file a petition in the office of the county auditor within thirty (30) days after publication of notice of the execution of the lease that sets forth the taxpayers' objections and facts supporting those objections. Upon the filing of a petition, the county auditor shall immediately certify a copy of the petition together with such other data as may be necessary in order to present the questions involved to the department of local government finance. Upon receipt of the certified petition and information, the department of local government finance shall fix a time and place in the affected county for the hearing of the matter that is not less than five (5) or more than fifteen (15) days after receipt. Notice of the hearing shall be given by the department of local government finance to the board of county commissioners and to the first ten (10) taxpayer petitioners upon the petition by certified mail sent to the addresses listed on the petition at least five (5) days before the date of the hearing.

(c) No action to contest the validity of the lease or to enjoin the performance of any of the terms and conditions of the lease shall be instituted at any time later than thirty (30) days after publication of notice of the execution of the lease, or if an appeal has been taken to the department of local government finance, then within thirty (30) days after the decision of the department.

(d) The authority for taxpayers to object to a proposed lease under subsection (b) does not apply if the authority complies with the procedures for the issuance of bonds and other evidences of indebtedness described in ~~IC 6-1.1-20-3.1~~ and ~~IC 6-1.1-20-3.2~~.

18 purposes:

19 (1) To pay the principal or interest on a funding, refunding, or
20 judgment funding obligation of the political subdivision.

39 **controlled project that will cost a political subdivision**
40 **more than the lesser of:**

41 (i) **two percent (2%) of the political subdivision's total**
42 **gross certified assessed value; or**

43 (ii) **fifty million dollars (\$50,000,000).)**

44 (5) To pay a judgment rendered against the political subdivision.

45 (6) To meet the requirements of the family and children's fund for

SECTION 3. IC 6-1.1-18.5-8 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 8. (a) The ad valorem property tax levy limits imposed by section 3 of this chapter do not apply to ad valorem property taxes imposed by a civil taxing unit if the civil taxing unit is committed to levy the taxes to pay or fund either:

(1) bonded indebtedness; or

(2) lease rentals under a lease with an original term of at least five (5) years.

(b) A civil taxing unit must file a petition requesting approval from the department of local government finance to incur bonded indebtedness or execute a lease with an original term of at least five (5) years not later than twenty-four (24) months after the first date of publication of notice of a preliminary determination under ~~IC 6-1.1-20-3.1(2)~~, **IC 6-1.1-20-3.1(b)(2) or IC 6-1.1-20-3.5(b)(2), whichever is applicable**, unless the civil taxing unit demonstrates that a longer period is reasonable in light of the civil taxing unit's facts and circumstances. A civil taxing unit must obtain approval from the department of local government finance before the civil taxing unit may:

(1) incur the bonded indebtedness; or

(2) enter into the lease.

The department of local government finance may seek recommendations from the local government tax control board established by section 11 of this chapter when determining whether to authorize incurring the bonded indebtedness or the execution of the lease.

(c) The department of local government finance shall render a decision within three (3) months after the date it receives a request for approval under subsection (b). However, the department of local government finance may extend this three (3) month period by an additional three (3) months if, at least ten (10) days before the end of the original three (3) month period, the department sends notice of the extension to the executive officer of the civil taxing unit. A civil taxing unit may petition for judicial review of the final determination of the

department of local government finance under this section. The petition must be filed in the tax court not more than forty-five (45) days after the department enters its order under this section.

(d) A civil taxing unit does not need approval under subsection (b) to obtain temporary loans made in anticipation of and to be paid from current revenues of the civil taxing unit actually levied and in the course of collection for the fiscal year in which the loans are made.

(e) For purposes of computing the ad valorem property tax levy limits imposed on a civil taxing unit by section 3 of this chapter, the civil taxing unit's ad valorem property tax levy for a calendar year does not include that part of its levy that is committed to fund or pay bond indebtedness or lease rentals with an original term of five (5) years in subsection (a).

(f) A taxpayer may petition for judicial review of the final determination of the department of local government finance under this section. The petition must be filed in the tax court not more than thirty (30) days after the department enters its order under this section."

"SECTION 7. IC 6-1.1-20-3.5 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: **Sec. 3.5. (a) This section applies only to a controlled project:**

(1) for which the proper officers of a political subdivision make a preliminary determination after June 30, 2007, to issue bonds or enter into a lease; and

(2) that will cost a political subdivision more than the lesser of:

(A) two percent (2%) of the political subdivision's total gross certified assessed value; or

(B) fifty million dollars (\$50,000,000).

(b) A political subdivision may not impose property taxes to pay debt service or lease rentals without completing the following procedures:

(1) The proper officers of a political subdivision shall:

(A) publish notice in accordance with IC 5-3-1; and

(B) send notice by first class mail to any organization that

delivers to the officers, before January 1 of that year, an annual written request for notices; of any meeting to consider the adoption of an ordinance or a resolution making a preliminary determination to issue bonds or enter into a lease and shall conduct a public hearing on a preliminary determination before adoption of the ordinance or resolution.

(2) Whenever the proper officers of a political subdivision make a preliminary determination to issue bonds or enter into a lease, the officers shall give notice of the preliminary determination by:

(A) publication in accordance with IC 5-3-1; and

(B) first class mail to the organizations described in subdivision (1)(B).

(3) A notice under subdivision (2) of the preliminary determination of the political subdivision to issue bonds or enter into a lease must include the following information:

(A) The maximum term of the bonds or lease.

(B) The maximum principal amount of the bonds or the maximum lease rental for the lease.

(C) The estimated interest rates that will be paid and the total interest costs associated with the bonds or lease.

(D) The purpose of the bonds or lease.

(E) A statement that any owners of real property within the political subdivision or registered voters residing within the political subdivision who want to initiate a local public question opposing the proposed debt service or lease payments must file a petition that complies with subdivisions (4) and (5) not later than thirty (30) days after publication in accordance with IC 5-3-1.

(F) With respect to bonds issued or a lease entered into to open:

(i) a new school facility; or

(ii) an existing facility that has not been used for at least three (3) years and that is being reopened to provide additional classroom space;

the estimated costs the school corporation expects to annually incur to operate the facility.

(G) A statement of whether the school corporation expects to appeal for a new facility adjustment (as defined in IC 20-45-1-16) for an increased maximum permissible tuition support levy to pay any estimated costs described in clause (F).

(4) After notice is given, a petition requesting the application of a local public question may be filed by the lesser of:

(A) one hundred (100) persons who are either owners of real property within the political subdivision or registered

- 1 voters residing within the political subdivision; or
2 (B) five percent (5%) of the registered voters residing
3 within the political subdivision.
- 4 (5) The state board of accounts shall design and, upon request
5 by the county voter registration office, deliver to the county
6 voter registration office or the county voter registration
7 office's designated printer the petition forms to be used solely
8 in the petition process described in this section. The county
9 voter registration office shall issue to an owner or owners of
10 real property within the political subdivision or a registered
11 voter residing within the political subdivision the number of
12 petition forms requested by the owner or owners or the
13 registered voter. Each form must be accompanied by
14 instructions detailing the requirements that:
- 15 (A) the carrier and signers must be owners of real
16 property or registered voters;
17 (B) the carrier must be a signatory on at least one (1)
18 petition;
19 (C) after the signatures have been collected, the carrier
20 must swear or affirm before a notary public that the
21 carrier witnessed each signature; and
22 (D) govern the closing date for the petition period.
- 23 Persons requesting forms may be required to identify
24 themselves as owners of real property or registered voters and
25 may be allowed to pick up additional copies to distribute to
26 other property owners or registered voters. Each person
27 signing a petition must indicate whether the person is signing
28 the petition as a registered voter within the political
29 subdivision or is signing the petition as the owner of real
30 property within the political subdivision. A person who signs
31 a petition as a registered voter must indicate the address at
32 which the person is registered to vote. A person who signs a
33 petition as a real property owner must indicate the address of
34 the real property owned by the person in the political
35 subdivision.
- 36 (6) Each petition must be verified under oath by at least one
37 (1) qualified petitioner in a manner prescribed by the state
38 board of accounts before the petition is filed with the county
39 voter registration office under subdivision (7).
- 40 (7) Each petition must be filed with the county voter
41 registration office not more than thirty (30) days after
42 publication under subdivision (2) of the notice of the
43 preliminary determination.
- 44 (8) The county voter registration office shall determine
45 whether each person who signed the petition is a registered
46 voter. The county voter registration office shall forward a
47 copy of the petition to the county auditor not more than

1 fifteen (15) business days after receiving the petition. Not
2 more than ten (10) business days after receiving the copy of
3 the petition, the county auditor shall provide to the county
4 voter registration office a statement verifying:

5 (A) whether a person who signed the petition as a
6 registered voter but is not a registered voter, as
7 determined by the county voter registration office, is the
8 owner of real property in the political subdivision; and

9 (B) whether a person who signed the petition as an owner
10 of real property within the political subdivision does in fact
11 own real property within the political subdivision.

12 (9) The county voter registration office shall, not more than
13 ten (10) business days after receiving the statement from the
14 county auditor under subdivision (8), make the final
15 determination of the number of petitioners that are registered
16 voters in the political subdivision and, based on the statement
17 provided by the county auditor, the number of petitioners that
18 own real property within the political subdivision. Whenever
19 the name of an individual who signs a petition form as a
20 registered voter contains a minor variation from the name of
21 the registered voter as set forth in the records of the county
22 voter registration office, the signature is presumed to be valid,
23 and there is a presumption that the individual is entitled to
24 sign the petition under this section. Except as otherwise
25 provided in this chapter, in determining whether an
26 individual is a registered voter, the county voter registration
27 office shall apply the requirements and procedures used
28 under IC 3 to determine whether a person is a registered
29 voter for purposes of voting in an election governed by IC 3.
30 However, an individual is not required to comply with the
31 provisions concerning providing proof of identification to be
32 considered a registered voter for purposes of this chapter. A
33 person is entitled to sign a petition only one (1) time under this
34 section with respect to a particular controlled project,
35 regardless of whether the person owns more than one (1)
36 parcel of real property within the subdivision and regardless
37 of whether the person is both a registered voter in the political
38 subdivision and the owner of real property within the political
39 subdivision. Notwithstanding any other provision of this
40 section, if a petition is presented to the county voter
41 registration office within thirty-five (35) days of an election,
42 the county voter registration office may defer acting on the
43 petition, and the time requirements under this section for
44 action by the county voter registration office do not begin to
45 run until five (5) days after the date of the election.

46 (10) The county voter registration office must file a certificate
47 and each petition with:

(A) the township trustee, if the political subdivision is a township, who shall present the petition or petitions to the township board; or

(B) the body that has the authority to authorize the issuance of the bonds or the execution of a lease, if the political subdivision is not a township;

within thirty-five (35) business days of the filing of the petition requesting a local public question. The certificate must state the number of petitioners that are owners of real property within the political subdivision and the number of petitioners who are registered voters residing within the political subdivision.

If a sufficient petition requesting a local public question is not filed by owners of real property or registered voters as set forth in this section, the political subdivision may issue bonds or enter into a lease by following the provisions of law relating to the bonds to be issued or lease to be entered into.

SECTION 8. IC 6-1.1-20-3.6 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 3.6. (a) This section applies only to a controlled project:

(1) for which the proper officers of a political subdivision make a preliminary determination after June 30, 2007, to issue bonds or enter into a lease; and

(2) that will cost a political subdivision more than the lesser of:

(A) two percent (2%) of the political subdivision's total gross certified assessed value; or

(B) fifty million dollars (\$50,000,000).

(b) If a sufficient petition requesting a local public question is filed by owners of real property or registered voters as set forth in section 3.5 of this chapter, a political subdivision may not impose property taxes to pay debt service or lease rentals unless the political subdivision's proposed debt service or lease rental is approved in an election on a local public question held under this section.

(c) The following question shall be submitted to the voters at the election conducted under this section:

"Shall _____ (insert the name of the political subdivision) issue bonds or enter into a lease to finance _____ (insert the name of the controlled project)?"

(d) The county auditor shall certify the public question described in subsection (c) under IC 3-10-9-3 to the county election board of the county that contains the greatest percentage of population of the political subdivision. After the public question is certified, the public question shall be placed on the ballot at the next primary or general election in which all voters of the political

1 subdivision are entitled to vote.

2 (e) The circuit court clerk shall certify the results of the public
3 question to the following:

4 (1) The county auditor of each county in which the political
5 subdivision is located.

6 (2) The department of local government finance.

7 (f) If a majority of the voters voting on the public question vote
8 in favor of the public question, the department of local government
9 finance shall take prompt and appropriate steps to notify the
10 political subdivision that the political subdivision may issue the
11 proposed bonds or enter into the proposed lease rental.

12 (g) If a majority of the voters voting on the public question vote
13 in opposition to the public question, both of the following apply:

14 (1) The political subdivision may not issue the proposed bonds
15 or enter into the proposed lease rental.

16 (2) Another public question under this section on the same or
17 a substantially similar project may not be submitted to the
18 voters earlier than one (1) year after the date of the election.

19 (h) IC 3, to the extent not inconsistent with this section, applies
20 to an election held under this section.

21 SECTION 9. IC 6-1.1-20-9 IS AMENDED TO READ AS
22 FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 9. (a) When the
23 proper officers of a political subdivision decide to issue bonds payable
24 from property taxes to finance a public improvement, they shall adopt
25 an ordinance or resolution which sets forth their determination to issue
26 the bonds. Except as provided in subsection (b), the political
27 subdivision may not advertise for or receive bids for the construction
28 of the improvement until ~~the expiration of the latter of:~~ after:

29 (1) ~~the expiration of~~ the time period within which:

30 (A) taxpayers may file a petition for review of ~~or~~ the proposed
31 issue;

32 (B) taxpayers and voters may petition for a remonstrance
33 against the proposed issue in the case of a proposed issue
34 that is subject to section 3.1 of this chapter; or

35 (C) taxpayers and voters may petition for a local public
36 question opposing the proposed issue in the case of a
37 proposed issue that is subject to section 3.5 of this chapter;

38 or

39 (2) the time period during which a petition for review of the
40 proposed issue is pending before the department of local
41 government finance.

42 (b) When a petition for review of a proposed issue is pending before
43 the department of local government finance, the department may order
44 the political subdivision to advertise for and receive bids for the
45 construction of the public improvement. When the department of local
46 government finance issues such an order, the political subdivision shall
47 file a bid report with the department within five (5) days after the bids

are received, and the department shall render a final decision on the proposed issue within fifteen (15) days after it receives the bid report. Notwithstanding the provisions of this subsection, a political subdivision may not enter into a contract for the construction of a public improvement while a petition for review of the bond issue which is to finance the improvement is pending before the department of local government finance.

SECTION 10. IC 6-1.1-20-10, AS AMENDED BY P.L.162-2006, SECTION 5, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 10. (a) This section applies **only** to a political subdivision that adopts an ordinance or a resolution making a preliminary determination to issue bonds or enter into a lease **that is subject to section 3.1 of this chapter**. During the period commencing with the adoption of the ordinance or resolution and, if a petition and remonstrance process is commenced under section 3.2 of this chapter, continuing through the sixty (60) day period commencing with the notice under ~~section 3.2(1)~~ **section 3.2(b)(1)** of this chapter, the political subdivision seeking to issue bonds or enter into a lease for the proposed controlled project may not promote a position on the petition or remonstrance by doing any of the following:

(1) Allowing facilities or equipment, including mail and messaging systems, owned by the political subdivision to be used for public relations purposes to promote a position on the petition or remonstrance, unless equal access to the facilities or equipment is given to persons with a position opposite to that of the political subdivision.

(2) Making an expenditure of money from a fund controlled by the political subdivision to promote a position on the petition or remonstrance or to pay for the gathering of signatures on a petition or remonstrance. This subdivision does not prohibit a political subdivision from making an expenditure of money to an attorney, an architect, a construction manager, or a financial adviser for professional services provided with respect to a controlled project.

(3) Using an employee to promote a position on the petition or remonstrance during the employee's normal working hours or paid overtime, or otherwise compelling an employee to promote a position on the petition or remonstrance at any time.

(4) In the case of a school corporation, promoting a position on a petition or remonstrance by:

(A) using students to transport written materials to their residences or in any way directly involving students in a school organized promotion of a position; or

(B) including a statement within another communication sent to the students' residences.

However, this section does not prohibit an employee of the political

A person or an organization that violates this subsection commits a Class A infraction.

(e) An attorney, an architect, a construction manager, or a financial adviser for professional services provided with respect to a controlled project may not spend any money to promote a position on the petition or remonstrance. A person who violates this subsection:

(2) Making an expenditure of money from a fund controlled by the political subdivision to promote a position on the local public question. This subdivision does not prohibit a political subdivision from making an expenditure of money to an attorney, an architect, a construction manager, or a financial adviser for professional services provided with respect to a controlled project.

(3) Using an employee to promote a position on the local public question during the employee's normal working hours or paid overtime, or otherwise compelling an employee to promote a position on the local public question at any time.

(4) In the case of a school corporation, promoting a position on a local public question by:

(A) using students to transport written materials to their residences or in any way directly involving students in a school organized promotion of a position; or

(B) including a statement within another communication sent to the students' residences.

However, this section does not prohibit an employee of the political subdivision from carrying out duties with respect to a local public question that are part of the normal and regular conduct of the employee's office or agency.

(c) The staff and employees of a school corporation may not personally identify a student as the child of a parent or guardian who supports or opposes a controlled project subject to a local public question held under section 3.6 of this chapter.

(d) A person or an organization that has a contract or arrangement (whether formal or informal) with a school corporation for the use of any of the school corporation's facilities may not spend any money to promote a position on a local public question. A person or an organization that violates this subsection commits a Class A infraction.

35 (1) from a special tax levied upon all of the property in the taxing
36 district, as provided by section 27 of this chapter;

37 (2) from the tax proceeds allocated under section 39(b)(2) of this
38 chapter;

39 (3) from other revenues available to the redevelopment
40 commission; or

41 (4) from a combination of the methods stated in subdivisions (1)
42 through (3).

(o) If bonds are issued under this chapter that are payable solely or in part from revenues to the redevelopment commission from a project or projects, the redevelopment commission may adopt a resolution or trust indenture or enter into covenants as is customary in the issuance of revenue bonds. The resolution or trust indenture may pledge or assign the revenues from the project or projects, but may not convey or mortgage any project or parts of a project. The resolution or trust indenture may also contain any provisions for protecting and enforcing the rights and remedies of the bond owners as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the redevelopment commission. The redevelopment commission may establish fees and charges for the use of any project and covenant with the owners of any bonds to set those fees and charges at a rate sufficient to protect the interest of the owners of the bonds. Any revenue bonds issued by the redevelopment commission that are payable solely from revenues of the commission shall contain a statement to that effect in the form of bond.

(p) If the total principal amount of bonds authorized by a resolution of the redevelopment commission is equal to or greater than three million dollars (\$3,000,000), the bonds may not be issued without the approval, by resolution, of the legislative body of the unit.

SECTION 27. IC 36-7-14.5-12.5, AS AMENDED BY P.L.1-2006, SECTION 567, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 12.5. (a) This section applies only to an authority in a county having a United States government military base that is scheduled for closing or is completely or partially inactive or closed.

(b) In order to accomplish the purposes set forth in section 11 of this chapter, an authority may create an economic development area:

(1) by following the procedures set forth in IC 36-7-14-41 for the establishment of an economic development area by a redevelopment commission; and

(2) with the same effect as if the economic development area was created by a redevelopment commission.

The area established under this section shall be established only in the area where a United States government military base that is scheduled for closing or is completely or partially inactive or closed is or was located.

(c) In order to accomplish the purposes set forth in section 11 of this chapter, an authority may do the following in a manner that serves an economic development area created under this section:

(1) Acquire by purchase, exchange, gift, grant, condemnation, or lease, or any combination of methods, any personal property or interest in real property needed for the redevelopment of economic development areas located within the corporate boundaries of the unit.

(2) Hold, use, sell (by conveyance by deed, land sale contract, or other instrument), exchange, lease, rent, or otherwise dispose of property acquired for use in the redevelopment of economic development areas on the terms and conditions that the authority considers best for the unit and the unit's inhabitants.

(3) Sell, lease, or grant interests in all or part of the real property acquired for redevelopment purposes to any other department of the unit or to any other governmental agency for public ways, levees, sewerage, parks, playgrounds, schools, and other public purposes on any terms that may be agreed on.

1 acquired for redevelopment purposes and to determine the value
2 of that land.

3 (8) Appear before any other department or agency of the unit, or
4 before any other governmental agency in respect to any matter
5 affecting:

6 (A) real property acquired or being acquired for
7 redevelopment purposes; or

8 (B) any economic development area within the jurisdiction of
9 the authority.

10 (9) Institute or defend in the name of the unit any civil action, but
11 all actions against the authority must be brought in the circuit or
12 superior court of the county where the authority is located.

13 (10) Use any legal or equitable remedy that is necessary or
14 considered proper to protect and enforce the rights of and perform
15 the duties of the authority.

16 (11) Exercise the power of eminent domain in the name of and
17 within the corporate boundaries of the unit subject to the same
18 conditions and procedures that apply to the exercise of the power
19 of eminent domain by a redevelopment commission under
20 IC 36-7-14.

21 (12) Appoint an executive director, appraisers, real estate experts,
22 engineers, architects, surveyors, and attorneys.

23 (13) Appoint clerks, guards, laborers, and other employees the
24 authority considers advisable, except that those appointments
25 must be made in accordance with the merit system of the unit if
26 such a system exists.

27 (14) Prescribe the duties and regulate the compensation of
28 employees of the authority.

29 (15) Provide a pension and retirement system for employees of
30 the authority by using the public employees' retirement fund or a
31 retirement plan approved by the United States Department of
32 Housing and Urban Development.

33 (16) Discharge and appoint successors to employees of the
34 authority subject to subdivision (13).

35 (17) Rent offices for use of the department or authority, or accept
36 the use of offices furnished by the unit.

37 (18) Equip the offices of the authority with the necessary
38 furniture, furnishings, equipment, records, and supplies.

39 (19) Design, order, contract for, and construct, reconstruct,
40 improve, or renovate the following:

41 (A) Any local public improvement or structure that is
42 necessary for redevelopment purposes or economic
43 development within the corporate boundaries of the unit.

44 (B) Any structure that enhances development or economic
45 development.

46 (20) Contract for the construction, extension, or improvement of

(23) Take any action necessary to implement the purpose of the authority.

(24) Provide financial assistance, in the manner that best serves the purposes set forth in section 11 of this chapter, including grants and loans, to enable private enterprise to develop, redevelop, and reuse military base property or otherwise enable private enterprise to provide social and economic benefits to the citizens of the unit.

(d) An authority may designate all or a portion of an economic development area created under this section as an allocation area by following the procedures set forth in IC 36-7-14-39 for the establishment of an allocation area by a redevelopment commission. The allocation provision may modify the definition of "property taxes" under IC 36-7-14-39(a) to include taxes imposed under IC 6-1.1 on the depreciable personal property located and taxable on the site of operations of designated taxpayers in accordance with the procedures applicable to a commission under IC 36-7-14-39.3. IC 36-7-14-39.3 applies to such a modification. An allocation area established by an authority under this section is a special taxing district authorized by the general assembly to enable the unit to provide special benefits to taxpayers in the allocation area by promoting economic development that is of public use and benefit. For allocation areas established for an economic development area created under this section after June 30, 1997, and to the expanded portion of an allocation area for an economic development area that was established before June 30, 1997, and that is expanded under this section after June 30, 1997, the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date, must be allocated. All of the provisions of IC 36-7-14-39, IC 36-7-14-39.1, and IC 36-7-14-39.5 apply to an allocation area created under this section, except that the authority shall be vested with the rights and duties of a commission as referenced in those sections, and except that, notwithstanding IC 36-7-14-39(b)(2), property tax proceeds paid into the allocation fund may be used by the authority only to do one (1) or more of the following:

(1) Pay the principal of and interest and redemption premium on any obligations incurred by the special taxing district or any other

entity for the purpose of financing or refinancing military base reuse activities in or serving or benefiting that allocation area.

(2) Establish, augment, or restore the debt service reserve for obligations payable solely or in part from allocated tax proceeds in that allocation area or from other revenues of the authority (including lease rental revenues).

(3) Make payments on leases payable solely or in part from allocated tax proceeds in that allocation area.

(4) Reimburse any other governmental body for expenditures made by it for local public improvements or structures in or serving or benefiting that allocation area.

(5) Pay all or a portion of a property tax replacement credit to taxpayers in an allocation area as determined by the authority. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district (as defined in IC 6-1.1-1-20) that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.

STEP TWO: Divide:

(A) that part of each county's eligible property tax replacement amount (as defined in IC 6-1.1-21-2) for that year as determined under IC 6-1.1-21-4 that is attributable to the taxing district; by

(B) the STEP ONE sum.

STEP THREE: Multiply:

(A) the STEP TWO quotient; by

(B) the total amount of the taxpayer's taxes (as defined in IC 6-1.1-21-2) levied in the taxing district that have been allocated during that year to an allocation fund under this section.

If not all the taxpayers in an allocation area receive the credit in full, each taxpayer in the allocation area is entitled to receive the same proportion of the credit. A taxpayer may not receive a credit under this section and a credit under IC 36-7-14-39.5 in the same year.

(6) Pay expenses incurred by the authority for local public improvements or structures that are in the allocation area or serving or benefiting the allocation area.

(7) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

(A) in the allocation area; and

(B) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

1 However, the total amount of money spent for this purpose in any
 2 year may not exceed the total amount of money in the allocation
 3 fund that is attributable to property taxes paid by the industrial
 4 facilities described in clause (B). The reimbursements under this
 5 subdivision must be made within three (3) years after the date on
 6 which the investments that are the basis for the increment
 7 financing are made. The allocation fund may not be used for
 8 operating expenses of the authority.

9 (e) In addition to other methods of raising money for property
 10 acquisition, redevelopment, or economic development activities in or
 11 directly serving or ~~benefitting~~ **benefitting** an economic development
 12 area created by an authority under this section, and in anticipation of
 13 the taxes allocated under subsection (d), other revenues of the
 14 authority, or any combination of these sources, the authority may, by
 15 resolution, issue the bonds of the special taxing district in the name of
 16 the unit. Bonds issued under this section may be issued in any amount
 17 without limitation. The following apply if such a resolution is adopted:

18 (1) The authority shall certify a copy of the resolution authorizing
 19 the bonds to the municipal or county fiscal officer, who shall then
 20 prepare the bonds. The seal of the unit must be impressed on the
 21 bonds, or a facsimile of the seal must be printed on the bonds.

22 (2) The bonds must be executed by the appropriate officer of the
 23 unit and attested by the unit's fiscal officer.

24 (3) The bonds are exempt from taxation for all purposes.

25 (4) Bonds issued under this section may be sold at public sale in
 26 accordance with IC 5-1-11 or at a negotiated sale.

27 (5) The bonds are not a corporate obligation of the unit but are an
 28 indebtedness of the taxing district. The bonds and interest are
 29 payable, as set forth in the bond resolution of the authority:

30 (A) from the tax proceeds allocated under subsection (d);

31 (B) from other revenues available to the authority; or

32 (C) from a combination of the methods stated in clauses (A)
 33 and (B).

34 (6) Proceeds from the sale of bonds may be used to pay the cost
 35 of interest on the bonds for a period not to exceed five (5) years
 36 from the date of issuance.

37 (7) Laws relating to:

38 (A) the filing of petitions requesting the issuance of bonds;
 39 and

40 (B) the right of:

41 (i) taxpayers **and voters** to remonstrate against the issuance
 42 of bonds; **or**

43 (ii) **voters to vote on the proposed issuance of bonds in an**
 44 **election on a local public question;**

45 do not apply to bonds issued under this section.

46 (8) If a debt service reserve is created from the proceeds of bonds,

the debt service reserve may be used to pay principal and interest on the bonds as provided in the bond resolution.

(9) If bonds are issued under this chapter that are payable solely or in part from revenues to the authority from a project or projects, the authority may adopt a resolution or trust indenture or enter into covenants as is customary in the issuance of revenue bonds. The resolution or trust indenture may pledge or assign the revenues from the project or projects. The resolution or trust indenture may also contain any provisions for protecting and enforcing the rights and remedies of the bond owners as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the authority. The authority may establish fees and charges for the use of any project and covenant with the owners of any bonds to set those fees and charges at a rate sufficient to protect the interest of the owners of the bonds. Any revenue bonds issued by the authority that are payable solely from revenues of the authority shall contain a statement to that effect in the form of bond.

(f) Notwithstanding section 8(a) of this chapter, an ordinance adopted under ~~section 11~~ of this chapter may provide, or be amended to provide, that the board of directors of the authority shall be composed of not fewer than three (3) nor more than eleven (11) members, who must be residents of the unit appointed by the executive of the unit.

(g) The acquisition of real and personal property by an authority under this section is not subject to the provisions of IC 5-22, IC 36-1-10.5, IC 36-7-14-19, or any other statutes governing the purchase of property by public bodies or their agencies.

(h) An authority may negotiate for the sale, lease, or other disposition of real and personal property without complying with the provisions of IC 5-22-22, IC 36-1-11, IC 36-7-14-22, or any other statute governing the disposition of public property.

(i) Notwithstanding any other law, utility services provided within an economic development area established under this section are subject to regulation by the appropriate regulatory agencies unless the utility service is provided by a utility that provides utility service solely within the geographic boundaries of an existing or a closed military installation, in which case the utility service is not subject to regulation for purposes of rate making, regulation, service delivery, or issuance of bonds or other forms of indebtedness. However, this exemption from regulation does not apply to utility service if the service is generated, treated, or produced outside the boundaries of the existing or closed military installation.

SECTION 28. IC 36-7-15.1-17, AS AMENDED BY P.L.185-2005, SECTION 34, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 17. (a) In addition to other methods of raising

- (3) the term of the bonds, which may not exceed fifty (50) years.

The resolution may also state that the bonds are redeemable before maturity with or without a premium, as determined by the commission.

42 exceed in amount the total cost of all land to be acquired and all
43 improvements described in the resolution, including all expenses

All bonds or obligations issued in violation of this subsection are void. The bonds are not obligations or indebtedness of the unit, but constitute an indebtedness of the district as a special taxing district. The bonds and interest are payable only out of a special tax levied upon all the property of the district as prescribed by this chapter. The bonds must recite the terms upon their face, together with the purposes for which they are issued.

7 the resolution, including all expenses necessarily incurred in the
8 proceedings and a sum sufficient to pay the estimated costs of

10 include all expenses actually incurred preliminary to acquisition of the
11 land and the construction work, such as the estimated cost of the
12 necessary record, engineering expenses, publication of notices,
13 preparation of bonds, and other expenses necessary to letting the
14 contract and selling the bonds.

15 (b) The total amount of any benefits that have been assessed by the
16 board and confirmed against lots and parcels of land, exclusive of
17 improvements, lying within two thousand (2,000) feet on either side of
18 the land to be acquired or of the improvement, however, shall be
19 deducted from the estimated cost.

20 (c) If more than one (1) resolution or proceeding of the board under

22 land are to be acquired or more than one (1) contract for work is let by
23 the board at approximately the same time, the estimated cost involved
24 under all of the resolutions and proceedings may be contained in one

43 interest to date of delivery by the city fiscal officer to the highest bidder
44 after giving notice of the sale of the bonds by publication in accordance
45 with IC 5-3-1.

46 (g) The bonds are subject to approval by the city legislative body,

1 in the manner it prescribes by ordinance or resolution.

2 (h) The bonds are not corporate obligations or indebtedness of the
3 city, but are an indebtedness of the district as a special taxing district.
4 The bonds and interest are payable only out of a special tax levied upon
5 all property of the district. The bonds must recite these terms upon their
6 face, together with the purposes for which they are issued.

7 (i) An action to question the validity of bonds of the district or to
8 prevent their issue may not be brought after the date set for the sale of
9 the bonds.

10 (j) The board may, instead of selling the bonds in series, sell the

28 acquiring the land and the construction of the work, such as the cost of
29 the necessary record, engineering expenses, publication of notices,
30 preparation of bonds, and other necessary expenses. If more than one
31 (1) resolution or proceeding of the legislative body under this chapter
32 is confirmed whereby different parcels of land are to be acquired or
